

WE ARE EVOLVING
STARTING SUMMER 2020 - WE WILL BE UNITED
STEEL UNITED

CLUB ANNOUNCEMENT
COVID 19 Update
March 13th, 2020

As you know, the health and safety of our players, their families, and staff is always our highest priority and guides our decisions during this unprecedented situation with COVID-19. In response to the latest events surrounding the virus, all on-field/in-person FCUSA/Steel United activities and programs will be postponed until further notice.

We will continue to evaluate the evolving situation. Future decisions will be based upon information provided by local, state, and federal organizations in addition to updates from facilities and governing soccer bodies. All updates regarding the impact of COVID-19 will be shared via official FCUSA/Steel United channels.

While our in-person sessions and games are temporarily suspended, FCUSA/Steel United plans to continue player education by offering a unique online soccer education program. Details of how each club player can access this information will be released next week. In addition to soccer education modules, at-home practices, fitness training, parent/player video consultations will all be made available. We are committed to our goal of developing our players as athletes and people through the Steel Sports Coaching System.

All policies regarding FCUSA/Steel United activities are subject to change based upon the ongoing review of circumstances.

Thank you for your continued commitment to creating a positive sporting experience for your child.

Kind Regards

FCUSA/Steel United Staff.
